Sample Answers

1. My favourite leisure activity is playing soccer. I enjoy it because I love being active and it's a lot of fun to kick the ball and score goals. It also allows me to spend time with my friends and be part of a team. (Or any suitable answers by students)
2. If I had a whole day of free time, I would start by sleeping in and then have a big breakfast with my family. After that, I would go to the park and play some basketball with my friends. In the afternoon, I would visit the library and borrow some new books to read. Later, I would have a picnic in the park with my family and enjoy some outdoor games. In the evening, I would relax at home and watch a movie with my siblings. It would be a perfect day full of different activities that I enjoy. (Or any suitable answers by students)
3. In my room, my study desk is located next to the window. On the left side of the desk, there is a bookshelf where I keep my favorite novels and reference books. On the right side, there is a lamp for better lighting when I study at night. The desk is against the wall, facing the room's entrance. This arrangement allows me to have natural light while studying and easy access to my books and materials. (Or any suitable answers by students)
