

Performance-based (Classroom Activity)

English Year 4

Module 1: Where Are You From?

Activity: Cultural Fair

Instructions:

1. Divide the class into small groups, assigning each group a different country from the pre-lessons (e.g., Egypt, Japan, France, etc.).
2. In their respective groups, students will research and gather information about the assigned country's culture, traditions, landmarks, famous people, cuisine, and any other interesting facts.
3. Provide time for the groups to prepare interactive booths or displays representing their assigned country's culture.
4. Encourage creativity in designing the booths/displays, such as using props, traditional costumes, food samples, artefacts, posters, or multimedia presentations.
5. Allocate a designated time for the "Cultural Fair" in the classroom or a larger space if available. Arrange the booths/displays in a gallery-style setup.
6. Each group will present their assigned country to the rest of the class, showcasing their research and findings. The presentation can include engaging elements like storytelling, role-plays, quizzes, or interactive games related to the country's culture.
7. Allow time for students to explore and interact with the other booths/displays. They can ask questions, participate in activities, taste traditional food samples (if available), and learn more about different cultures.
8. Facilitate a class discussion at the end of the activity, where students can share their favourite discoveries, interesting facts, and a newfound appreciation for different cultures.
